
Term 3: Week 9

The Winter term is almost over, with school holidays at the end of next week, so hopefully we will be enjoying the warmer weather soon!

Please read the email below which contains important information for ALL STUDENTS.

EXAM RESULTS

We are very proud of the students on their efforts in their dancing exams this term with some outstanding results achieved across all genres. We remind parents that we discourage students from comparing results with others and rather encourage them to strive to be their personal best.

All exam results are now in except for the Major Cecchetti Ballet results which we expect in the next couple of days. Jazz and Tap results will be handed out in this week's classes.

Please find attached the list of exam Honours from Cecchetti grade 5 & 6 Ballet exams listed in alphabetical order.

NEW CATHY-LEA WEBSITE

We have launched a new Cathy-Lea website and would love your feedback on this. Please have a look at it www.cathy-lea.com

The site has a members' area that is password protected. We will update the password regularly and advise you of this via our email newsletters. The current password is **CLmember2019**

We will upload information that may be useful to you as it arises. Currently we have the general concert information as well as the timetable and fees. We will upload concert rehearsals schedules and other information as this is prepared. Please have a look!

TESTIMONIALS

We would like to add some current testimonials to this site. We would be delighted if you could take a moment to write a few words stating what you like about Cathy-Lea and why you would recommend it to others, then email this to us for inclusion in the website.

If you feel so inclined, you could copy and paste this onto our facebook page or any other online directories in which we appear also!

May thanks in advance for your support in this regard.

FEES

Term 4 accounts were sent out yesterday. If you did not receive this, or if you have any questions about your account, please email office@cathy-lea.com. Fees are due by Friday 11th October and accounts will revert to the Standard Rate after this date. (Note that it can take up to 2 working days for direct bank payments to process, so please allow this time when scheduling your payments).

CONCERT BOND

I remind you that these were due at the end of August to the costume account (not the Cathy-Lea account) and without them paid, the costume ladies will not order concert costumes for your child. The amount is \$60- (regardless of how many classes your child takes) and is received as a promise from you that you will attend the compulsory concert rehearsals and pay all costume fees. The bond will cover the cost of at least one costume.

If you want to review the information about this, you can visit the members' area on our website. Please use STUDENT name and account number as a reference (they have had trouble reconciling some payments as people have listed parents' names)

PHOTO DAY

Please find attached a flier for the Cathy-Lea Photo Day on Sunday 24th November. Please reserve this date. Once again we have the fabulous Belinda Strodder photographing our students. (Her wonderful photos are throughout our new website).

CLASS DIVISION FOR CONCERTS

The class division for concerts is attached. Pre-school classes will only perform in one concert. Junior classes perform in two concerts. All other classes are required to perform in all 4 shows.
